Air Springs

www.vibracoustic-cvas.com

Vibracoustic CV Air Springs is specialized in providing premium quality OEM Air Springs for its customers in the global markets.

Our aftermarket brand Blacktech has a very strong reputation in the global independent aftermarket for high quality replacement air springs.

The matching product design,constant quality and design to cost philosophy combined with a wide range of products ensures that Blacktech remains as a leading brand within the global air spring replacement market.

Blacktech with its strong global reputations for high quality replacement products is proud to call Wijlhuizen our distribution partner for more than 12 years!

With the logistics centre of our exclusive European distribution partner Samco Autotechnik in Germany short dated supplies within Europe are quaranteed.

If you would like to get more information about the Blacktech products please visit www.vibracoustic-cvas.com.
